

Victorian Age Services Industry Forums

Our upcoming Industry Forums are a great opportunity to interact with colleagues and industry leaders throughout the age care services industry.

Open to members and non-members*, the forum program has been designed to bring you practical hints tips and tools to optimise the performance of your business.

Join us for informative interactive sessions that delve into the current state of the aged service industry, provide valuable updates on the latest in residential care, home care, retirement living and seniors housing as well as a vital update on the Royal Commission.

These forums are FREE* to attend. The networking sessions are a great opportunity to meet your industry peers, gain valuable insights, network and maximise the benefits of, or explore further LASA membership.
