

# LASA SRS TRAINING CALENDAR

## JANUARY – JUNE 2022

The Department of Families, Fairness and Housing (DFFH) funds Leading Age Services Australia (LASA) to offer free, specialised training courses and workshops for SRS staff and proprietors. The training is designed to provide skills and knowledge to assist and improve the safety and quality of services provided to residents.

If you decide to complete an online workshop at the SRS it is recommended you complete it outside of your rostered shift, this will ensure the SRS has appropriate staffing levels to support residents.

LASA's team of facilitators are experts in their fields and are selected specifically because of their experience in the supported residential service sector.

LASA will endeavor to deliver the training workshops on all of the scheduled dates above but please be aware that changes can occur.
